Get Rid of Silverfish - A Step by Step Guide by Bob Haskins

Sure.. squishing them might make you feel like you're making a difference, but it just doesn't solve the problem. They'll keep coming back again and again and again. So take the next 5 minutes to read over this page and you will learn exactly what you need to know to get rid of silverfish...

The fact that you've arrived at this website should be evidence enough that you want to get rid of your silverfish infestation. But like most people, you may not think silverfish are anything more than a "nuisance pest."

But the more you find out about silverfish, the more you will start to realize that not taking action against them is a very poor decision. They are much more harmful and intrusive than you may think.

I hope you haven't poured yourself a bowl of morning cereal only to find that you have to REMOVE BUGS FROM IT before eating!!!

Here's the worst part... Even if you haven't actually SEEN them in your cereal, you might be eating the eggs they have laid in your cereal boxes!!!!

If you've ever tried searching for a solution online, the most common thing you'll hear is that you'll need to fix the water damage in your home in order to get rid of silverfish and to keep them gone forever.

Well THAT sounds expensive! Some of us don't have the time or money for that kind of solution. (And if you've got landlords, good luck trying to convince them to help you there.)

There is a simple and easy solution to get rid of silverfish forever. And, NO! You don't need to spend hundreds of dollars fixing the damp conditions in your home!

My tolerance for these stupid bugs finally reached its threshold when one of them crawled over my...
