# **Three Eye Catching Designs From Ralph Lauren Sunglasses For Women To Choose From**

There's so much glamor linked with the Ralph Lauren brand. From the Ralph Lauren clothing line to Ralph Lauren sunglasses for women, the name explains it all. They can be seen on celebrities, captains of industries and on just about anyone who wants to look stylish.

Each season a few styles from Ralph Lauren make the best sellers list. Some of these styles might not be all that new but as long as a prominent celebrity has been seen wearing it, the probabilities of it taking off popularity smart is high.

There are many Ralph Lauren sunglasses for women that are selling very well this season but we will be taking a more in-depth look at 3 styles in this piece.

#### Small Aviator Women's Sunglasses

The Tiny Flier women's Ralph Lauren sunglasses are styled in the classic aviator mold. It is no surprise this model sells well year in and year out because, simply put, its design is timeless. Its chic flier profile is unimposing and classy.

This model of women's Ralph Lauren sunglasses is light and cushy to wear, thanks in part to its silicone nose pads. This model is made in Italy and uses light lenses with a hundred percent UV protection and scratch-resistant coating.

Aviator models look excellent on nearly any face shape and are well-liked by both men and women. As with all sun shades, try and get a frame colour that matches your eyes.

#### Over-sized Round Sunglasses

If you are an eager reader of tabloids and celeb gossip mags, you would have spotted over-sized round shades are a favourite among stars who need to look good but still hide their faces.

This model of [Ralph Lauren women's sunglasses](#) are retro inspired but have a classy, modern appeal. This style apartments faces that are more angled than rounded. They're popular with both the young and the youthful-acting. If you need to look glamorous, you can hardly mess up with this form of Ralph Lauren sunglasses for women.

#### Super Cat Eye Sun shades

This is another style that lionises the retro-glamorous look. But Ralph Lauren's subtle touches has made this design a style for the season. You can simply imagine yourself donning 2 these glasses while cruising in a convertible with your scarf blowing in the wind.

This style is acceptable for those with base-down triangular-shape faces and Diamond-shaped faces. This style of [Ralph Lauren sunglasses for women](#) also suits those with oval-shaped faces.

To summarize,

- Small Aviator models are timeless and looks good on practically anyone
- Over-sized round sunglasses are for those who want a retro yet sophisticated look
- The super cat eye sunglasses are those who prefer the retro-glamorous look
